

THE WILDLIFE SOCIETY

Leaders in Wildlife Science, Management and Conservation

24th Annual Conference • Albuquerque, N.M. • September 23-27, 2017

In 2017, The Wildlife Society will be hosting one of the largest gatherings in North America of wildlife professionals, influencers, educators, students and supporters in Albuquerque, New Mexico. During five days packed with presentations, working group meetings, workshops, social and networking events, attendees will experience unparalleled educational, professional development and networking opportunities.

This conference provides added value to sponsors and a unique opportunity for contributors to show their support as it's the first time in two decades we've held the conference in New Mexico. Our sponsorship opportunities include member engagement, brand recognition, announcements, and special access to maximize sponsors' return on investment.

A wide variety of individuals from universities, conservation organizations, natural-resources consulting companies, and federal and state agencies will be among the attendees. Sponsors and contributors will also reach our nearly 9,500 members and more than 105,000 wildlife professionals, educators, students, and supporters through pre- and post-conference positioning in our magazine, website, and e-newsletters.

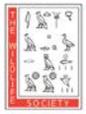

Our program for sponsors offers several levels of engagement. All sponsors will have access to marketing support and insights from our team to customize a sponsorship solution that helps them achieve their desired results.

Our goal is to provide a depth and range of educational programming and networking that ensures that attendees leave the conference more inspired, empowered and enabled to sustain healthy wildlife populations and habitats for generations to come. With your support as a sponsor or contributor, we know that we can deliver on that promise.

Please review the attached information and contact us with any questions you may have. We appreciate your support of The Wildlife Society Annual Conference and look forward to thanking you there in person!

Best Regards,

Ed Thompson
Chief Operating Officer
The Wildlife Society

Questions?

If you have any questions about your support of our conference, please contact **Chuck Shively, Development Manager** at 301-897-9770 or chuck.shively@wildlife.org, or **Dr. Virginia Seamster**, Fundraising Subcommittee Chair, virginia.seamster@state.nm.us.

Sponsor, Contributor or Exhibitor?

There are three distinct ways to support The Wildlife Society's Annual Conference:

- Sponsors are typically businesses and organizations who desire tangible value and return on investment through engagement opportunities, brand recognition and visibility, marketing and advertising through multiple communications channels, free exhibit space and/or registrations, and invitations to a sponsor recognition event.
- Contributors are typically businesses, organizations and individuals who want to provide financial support for the conference or a specific activity at the conference with no expectation of tangible return on investment. Contributors will receive recognition for their support by tier in a variety of communications channels and will receive an invitation to a contributor recognition event during the conference.
- Exhibitors are typically businesses, organizations and individuals who provide goods or services useful to wildlife professionals and wish to engage directly to promote their brand.

Still unsure as to which category best matches your intent? Contact Chuck Shively, Development Manager at 301-897-9770 or at chuck.shively@wildlife.org and we'll be happy to help!

Sponsors

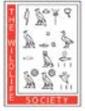

TWS offers several sponsorship packages that provide a mix of member engagement, brand recognition, announcements, and special access. Each package can be customized to help you achieve your desired return on investment and/or return on objectives.

All sponsor levels, from \$3,000 - \$25,000, include the opportunity to sponsor or co-sponsor a wide range of events or activities. Our team will help you select from a listing of activities that will best position your brand to support your goals.

Sponsors also receive a mix of free exhibit space and/or registrations, pre- and post-conference visibility through multiple communications channels, invitations to a sponsor recognition event, and a variety of signage opportunities to recognize your support.

Additionally, some levels offer opportunities such as:

- Pre- or post-conference email sent by TWS with a special offer or information from your organization to the entire membership
- Option to provide a handout or premium
- "Sponsor Spotlight" feature/offer on our website

THE WILDLIFE SOCIETY

Leaders in Wildlife Science, Management and Conservation

24th Annual Conference • Albuquerque, N.M. • September 23-27, 2017

- Verbal recognition on-stage and at sponsored location/activity
- Photo opportunities with TWS leadership, as appropriate and available
- Customized opportunities/activities developed collaboratively

Contributors

All contributors receive the same types of recognition as outlined below, but the tiers will distinguish you or your organization by the level of support provided.

Benefactor: \$10,000+ Patron: \$5,000+ Associate: \$2,500+

Friend: \$1,000+ Affiliate: \$250+

Contributors will be recognized for their generous support by tier with text recognition in the conference program, on the conference website, on the thank you recognition signs at this conference and in one issue of *The Wildlife Professional*. They will also receive tickets to the contributor recognition event held during the conference.

While we encourage contributors to support the entire conference, if a donation must be used to support a specific program or activity, TWS will honor that request. If desired, TWS will also provide recognition in connection with the designated program or activity through messaging such as “underwritten through the generous support of (contributor name)” in the conference program, on the conference website and through signage at the event, as practical.

Exhibitors

TWS offers exhibition booths located within our Member Activity Center; a high-traffic location that includes registration, poster sessions, refreshment breaks, and other popular activities.

In addition to their booth space and prior to the conference, exhibitors are listed with a link to their website on The Wildlife Society’s conference website. Exhibitors also are recognized in the *eWildlifer* newsletter and in the Conference Program Guide.

To support our conference, contact Chuck Shively, Business Solutions and Development Manager, at 301-897-9770 or at chuck.shively@wildlife.org. We’ll help you find a sponsorship solution that fits your budget and helps you drive desired results for your organization!
